

Catalyst members Build your team

New companies
can join teams
until **8 March**

The screenshot shows the Catalyst website interface. At the top, there's a navigation bar with 'tmforum catalysts' and various menu items. Below that, a project card is displayed with the title 'Project Name that is very long and wraps around'. The card includes a video player and a 'View as team member' link. To the left of the project card, there's a sidebar with 'Sections' and 'Participants'. The 'Participants' section shows a list of team members with their names and roles. At the bottom, there are logos for participating companies like Bell, BMC, ABB, etc.

If you do not see the "View as Team member link"

1. Verify you are listed in "team member" section and are logged in
2. Go to https://myaccount.tmforum.org/my_profile
3. Open new tab in same browser and paste direct link to backend
4. Use this address and add last three numbers from your URN
