

Catalyst pre-submission checklist

At this stage of the process we don't expect that you will necessarily have a full team in place, or have met all the requirements for full approval (in fact, the TM Forum Catalyst team will provide support for matchmaking and other aspects of the project to help you succeed). Learn more at [Catalyst Projects](#).

Please review Table 1 below to ensure you understand Catalyst Project Minimum Requirements before submitting your proposal.

Catalyst Type	Requirement for full approval
All Catalysts	1 Marketing Lead
All Catalysts	1 Project Lead
All Catalysts	Completed proposal
CSP Catalysts Address a Communication Service Provider's challenges (ie the prospective buyer of the solution developed by the Catalyst is a CSP)	1 CSP Champion + 4 Participants (Minimum of 3 paying participants)
Ecosystem Catalysts Address an ecosystem challenge (ie the prospective buyer of the solution developed by the Catalyst is a vertical industry player, not a CSP)	1 Champion (Vertical Market Player) + 4 Participants (Minimum 3 paying participants, 2 TM Forum members)
Open Source Catalysts Primary mission is to leverage open source to create solutions or mainly use open source software to showcase their demonstration	1 CSP Champion + 1 Open Source Organization (Minimum 3 TM Forum members)
