Post-Event Award : Outstanding Contribution to TM Forum Assets - Post DTW'24

The benefits of Catalyst program extends beyond the DTW events, and we highly reward the Catalysts which contribute back to the member projects. This year, both Open Innovation & Moonshot Catalysts have the opportunity to contribute and accordingly would be eligible for the post-event award category : **Outstanding contribution to TM Forum Assets.**

Outstanding contribution to TM Forum Assets *Post Event*

Awarded to the Catalyst team that uses the program to make most substantial contribution to TM Forum's assets.

- All Catalysts – both Open Innovation & Moonshot Catalysts are eligible and would be assessed based on the contributions made (if any).
- This is reviewed & judged by the CSC members post event.
- **Teams are to submit their contributions 6 weeks post event i.e. by 2nd August'24.**
- Criteria and process for this award is separate from 'at event' award categories.
