

# Important Announcement - TM Forum Action Week Summer 2016

Hi all,

It is with great pleasure, I announce that Action Week Summer 2016 will be held in the [Pinnacle Hotel, Vancouver](#) Harbour Front on the week of **July 11th 2016**.

By making this change we aim to be more inclusive to all our members but particularly those in Asia as we currently do not host an Action Week event in Asia. This venue reduces flight times for Asian participants and has other features making it more accessible.

We are delighted with this new venue. It is also a very beautiful location by the harbour front and I trust you will enjoy it. Please save the date, week beginning July 11th. We have also moved the event earlier in the summer to allow for those who take a block of time for vacation in summer.

## **Other important dates coming up:**

TM Forum InFocus Catalyst, Nov 4 & 5, Dallas

Action Days Paris, Nov 18th & 19th, Detailed agenda TBD

Framework 15.5 Freeze date, November 9th

Action Week Lisbon, week beginning Feb 1st

Any questions on any of these items, please let me know

best regards,

Joann O'Brien

VP, Agile Collaboration
