

Dashboard Updates

Your Dashboard is accessible by clicking the TM Forum Logo or visiting <https://projects.tmforum.org/wiki/>

The useful features "Save for later" and "My Spaces" been renamed. These features are now easier to use and on your dashboard.

Save for later

Previously called "Favorite Pages"

While on a page click the **Save for later** icon at the upper right to add a page to the **Saved for Later** list on your dashboard.

My Spaces

Previously called "Favorite Spaces"

When on a Space click the **Star icon** in the upper left to add it your **My Spaces** list on your dashboard.
